BE A PART OF OUR
4TH ANNUAL
MEMORIAL BUTTERFLY RELEASE
AND
SERVICE OF REMEMBRANCE

Crossings Hospice of the VNA will be recognizing the lives and the memories of those who have gone before us.

With the symbolic release of butterflies, we will remember your loved ones. As the butterflies float skyward, so, too, will the good wishes and prayers of those who watch them fly.

An opportunity to cherish the memory of your loved ones while supporting the Crossings Hospice of the VNA program. The purchase of a symbolic butterfly will financially support our Hospice Program.
